

### Physics

1SE. Secondary Education

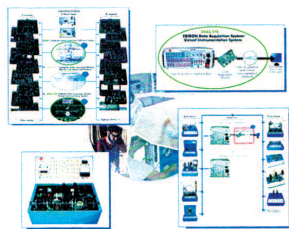

1AD. Advanced Physics

### Electronics

2TV. Technical and Vocational Education Electronics

2HE. Higher Education Electronics

### Telecommunications

3TV. Technical and Vocational Education Telecommunications

3HE. Higher Education Telecommunications

### Electricity

4TV. Technical and Vocational Education Electricity

4HE. Higher Education Electricity

4EMTV. Technical and Vocational Education Electrical Machines

4EMAD. Advanced Electrical Machines

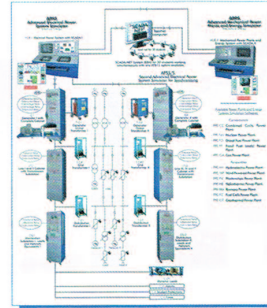

## Energy

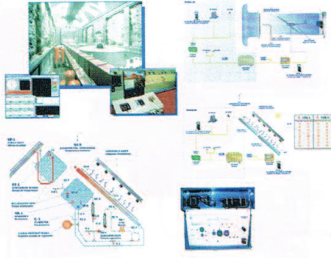

5TV. Technical and Vocational Education Energy

5AD. Advanced Energy

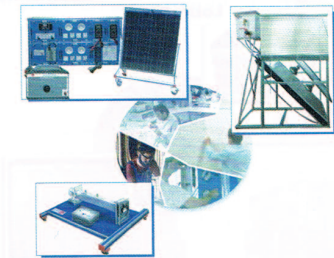

5TC. Energy Training Centre

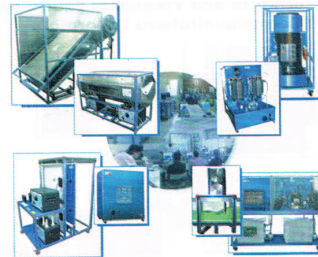

## Renewable Energy

5RTV. Technical and Vocational Education Renewable Energy

5RA. Advanced Renewable Energy

## Automation and Systems

6TV. Technical and Vocational Education Automation & Systems

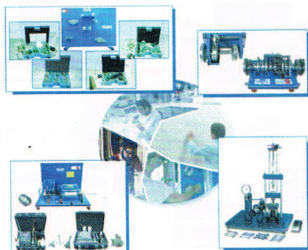

6AD. Advanced Automation & Systems

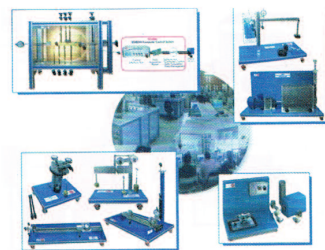

## Mechanics and Materials

7TV. Technical and Vocational Education Mechanics and Materials

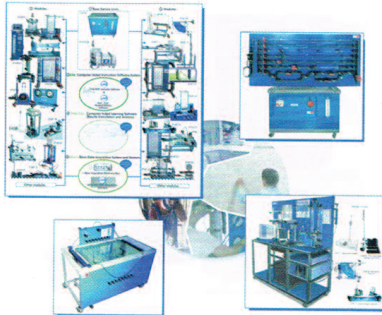

7HE. Higher Education Mechanics and Materials

### Fluid Mechanics

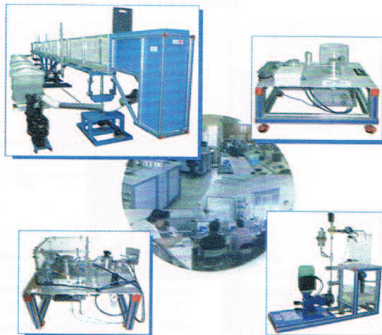

8AD1. Fluid Mechanics ( Phase 1 )

8AD2. Fluid Mechanics ( Phase 2 )

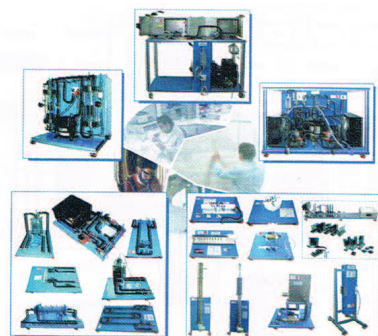

8AD3. Fluid Mechanics ( Phase 3 )

### Thermodynamics and Thermotechnics

9AD1. Thermodynamics and Thermotechnics ( Phase 1 )

9AD2. Thermodynamics and Thermotechnics ( Phase 2 )

9AD3. Thermodynamics and Thermotechnics ( Phase 3 )

### Process Control

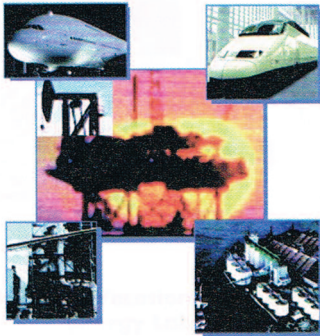

10G1. General Process Control ( Phase 1 )

10G2. General Process Control ( Phase 2 )

10PCTC. Process Control and Maintenance Training Centre

10RC. Regulation Control and Process Control

### Chemical Engineering

11TV. Technical and Vocational Education Chemical Engineering

11HE. Higher Education Chemical Engineering

11PTC. Petroleum Traing Centre

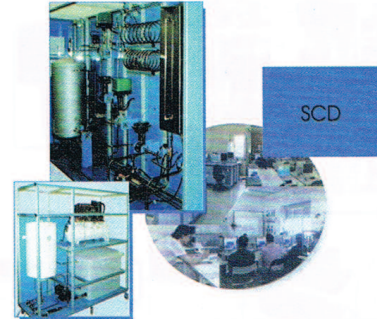

### Food Technology

12TV. Technical and Vocational Education Food Technology

12H. Higher Education Food Technology

### Environment

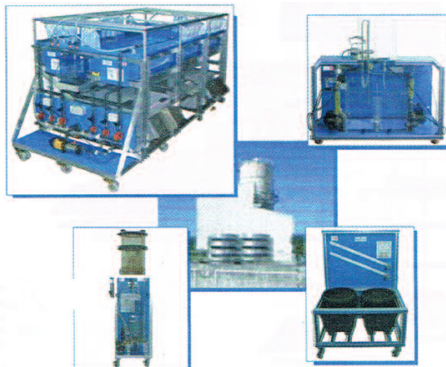

13AD. Advanced Environment

13DES. Desalination

13CW. Portable Water

13DW. Dirty Water Treatment
